Reminders:

Medicine should be taken at home. We can only administer medication with a note from a physician and it must arrive in the original container, properly labeled.

You will need to tell us if your child has allergies. Summer school does not have access to the information you have previously supplied to your school.

For safety purposes, bus drivers cannot leave children entering grade 1 or grade 2 at the bus stops without visibly seeing an adult. In such a case, the child will remain on the bus and return to the Mill Stream Elementary School until you pick up him/her. Ms. Fickett will attempt to reach you by phone. The contact numbers during the day are 634-3121 or 431-1920.

Any student displaying inappropriate behavior will be subject to the same rules and discipline as practiced during the regular school year.

Please send us a note whenever you wish for your child to leave the school with someone other than yourself.

Thank you for your involvement in our summer school program. For questions or if you have any change of plans, you may contact Dawn Fickett prior to July 5th call 474-3339 ext. 2254 or after July 5th 207-634-3121 or email dfickett@msad54.org.
